

### **IN THE SPECIFICATION**

Please add the following paragraph before the heading Other Uses at about line 15 of page 6 of the specification.

#### **Other Sensors**

FIG. 3 also illustrates several other sensors including a reluctance sensor 310, a key ignition position sensor 312, a carbon monoxide sensor 314 and an RPM sensor 316. Each of the sensors, namely the reluctance sensor 310, the key ignition position sensor 312, the carbon monoxide sensor 314 and the RPM sensor 316 provides an input to the fault logic circuit 130.
